SUMMARY.  
SCHOOL GRANT.

Paid for instruction, . . . . .	\$5,911 00
Fuel and care of rooms, . . . . .	704 25
Bills included in report of auditors for 1869-70, paid by treasurer for 1870-71, . . . . .	14 96
Miscellaneous bills improperly charged to School grant, . . . . .	13 98
	<hr/>
	\$6,644 19
Orders paid by treasurer for 1870-71, . . . . .	\$6,504 71
Orders paid by treasurer for 1871-72, . . . . .	139 48
	<hr/>
Included in this report, . . . . .	\$6,644 19

It will appear from the above, that a portion of the School Expenses for the year, was paid by orders on the treasurer for 1871-2. What proportion of these expenses was for the years 1869-70, it is not easy for the Auditors to determine, so that it is not possible to state what the expense of the schools for the school year has been. This difficulty will always occur if settlements continue to be made with the treasurer before the close of the financial year.

NOTE.—Jonas Gammell appears to have been overpaid ten cents on bill for repairs at Franklin School, and an error of \$10 in his favor, appears in his settlement with the selectmen. Due J. G., \$9.90.
